Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

Computer Science Engineering student with hands-on experience in HTML, CSS, JavaScript, Python, Git/GitHub, Linux and basic cloud concepts. Interested in web development and software development, with a focus on building practical projects and gaining real-world internship experience.

EDUCATION

B.Tech – Computer Science and Engineering

Dhanalakshmi Srinivasan University, Trichy

Expected 2028

Current CGPA: 7.80

TECHNICAL SKILLS

Programming	Python, JavaScript
Web Development	HTML, CSS
Tools	Git, GitHub, VS Code
Cloud & Systems	Cloud fundamentals, Linux, Bash
Design	Figma, Canva

PROJECT

Personal Portfolio Website | HTML, CSS, JavaScript

- Built a responsive portfolio website to present education, skills, project work and contact details.
- Added JavaScript functionality for dynamic skill addition/removal and interactive contact-form feedback.
- Implemented smooth navigation, responsive layout, hover effects and resume download support.

INTERNSHIP EXPERIENCE

UI/UX Design Internship | TPCS Global, Salem | June 2026

- Completed a 15-day internship session focused on UI/UX design.
- Gained practical exposure to user-interface design, user-experience principles, layout and visual presentation.
- Worked with design concepts using Figma and Canva.

Cybersecurity Internship – Malware Traffic Investigation | LiveWire, Salem | July 2026

- Completed an internship focused on detecting and investigating malware traffic using Wireshark.
- Learned the basics of network traffic analysis and packet inspection using Wireshark.
- Gained practical exposure to identifying and investigating suspicious network traffic.

ADDITIONAL EXPERIENCE & LEARNING

- UX design project experience using Figma and Canva, including social-media and promotional visual design.
- Linux course completed; familiar with Linux command-line and basic Bash concepts.

CAREER OBJECTIVE

Seeking a software/web development internship where I can apply my technical skills, learn from real-world projects and contribute to a technology team.
